

PRIVACY POLICY

At Barry's Diner, we respect your privacy. This notice explains how we handle personal information when you visit our website, reserve a table or dine with us at our one-day pop-up.

01 WHO IS RESPONSIBLE?

Little Bosses Academy CIC (Company No. 16501483) is the organisation responsible for the personal information described in this notice. Barry's Diner is part of our Boss Leaders programme. Our privacy contact details appear at the end of this policy.

02 WHAT INFORMATION DO WE COLLECT?

We may collect your **name, email address, telephone number, booking date and time, guest numbers**, and any changes or messages about your reservation. If you choose to tell us, we may also receive seating or accessibility requests and information about food allergies or dietary needs. Our website may collect limited technical data through cookies and similar technologies.

03 WHY DO WE USE YOUR INFORMATION?

We use booking details to arrange tables, confirm or amend reservations, send service messages, respond to enquiries and manage the event. Our lawful bases are our **legitimate interests** in running the pop-up and, where relevant, taking steps to provide the requested dining service. We may also use records to comply with a **legal obligation**, such as accounting or food-safety requirements.

04 ALLERGIES AND ACCESSIBILITY REQUESTS

Some information about allergies or accessibility may reveal health details, which receive extra protection under UK data protection law. We only need information relevant to the request and will ask for **explicit consent where required** before recording or sharing health information. Only authorised team members who need the details to help provide safe service should access them. You can also discuss your needs with us directly before ordering.

05 BOOKING, WEBSITE AND PAYMENT PROVIDERS

Our booking site is hosted through **Wix**, and we use **EasyTable** to manage reservations. We may use **SumUp** for card payments during the event. These providers handle relevant information under their own terms and privacy arrangements. We may share necessary details with authorised event staff and with authorities where the law requires it. **We do not sell guest information.**

06 MARKETING IS OPTIONAL

Booking a table does **not** automatically subscribe you to marketing. If you separately opt in, Little Bosses Academy CIC may send you updates about Barry's Diner or related activities described at the point of sign-up. You can withdraw consent or unsubscribe at any time. We do not use your allergy information for marketing.

07 HOW LONG DO WE KEEP INFORMATION?

We aim to retain routine reservation records for **no longer than 12 months from collection**, unless we need them for a genuine legal requirement or to resolve a complaint. Allergy or health-related booking notes should be removed sooner when no longer needed after service. Financial records may be retained longer where required by law. We review and apply our booking platform's retention settings accordingly.

08 SECURITY AND INTERNATIONAL PROCESSING

We use reasonable organisational and technical measures to protect guest information and restrict access to those who need it. Some service providers may process data outside the UK. Where personal information is transferred internationally, we require an appropriate lawful transfer arrangement, such as an adequacy regulation or approved contractual safeguards, where applicable. You can contact us for further details.

09 YOUR INFORMATION RIGHTS

Depending on the circumstances, you may have the right to **access, correct or delete** your information; **restrict or object** to certain uses; request **data portability**; and withdraw any consent you have given. You may object to processing based on legitimate interests. Please contact us to make a request; some rights have legal exceptions.

10 COOKIES AND WEBSITE USE

Wix and any enabled website tools may use essential cookies and, if configured, optional analytics or marketing cookies. Non-essential cookies require the appropriate consent choices. Details should be available through the website's cookie notice or settings.

YOUR PRIVACY MATTERS

We use booking details to welcome and serve you, not to fill your inbox. Thank you for supporting Barry's Diner and our young entrepreneurs.
