PLEASE TELL OUR TEAM ABOUT ALLERGIES

Speak to us before ordering so we can help with your dietary needs.

We handle allergens in our kitchen; unintended cross-contact is possible.

GOOD TO KNOW

French fries and flour-coated chicken wings are cooked in different oil.

* "No declarable allergens" means none of the 14 UK-regulated allergens are declared as ingredients in that menu item. It does not mean allergen-free.

If you have an allergy, always speak to our team before ordering.
